BECOME PART OF OUR STORY

Chatsworth House Trust, a registered charity since 1981, was established to maintain and preserve the house, garden, parkland and collections for the benefit of everyone.

Chatsworth is more than a house. It is a home of creativity and community and a driver of positive change. As a charity, we work with our communities to address the urgent issues of our time, from health and wellbeing, to the climate crisis, to fostering greater understanding, empathy and inclusion.

We want people to feel inspired, to learn and to enjoy all that Chatsworth has to offer, onsite, online and around the world. Through the work of Chatsworth House Trust, we have an opportunity to harness this ambition to make a tangible positive impact on everyone's lives, through culture, nature and learning, creating life-changing opportunities for those in our immediate and extended communities.

By becoming a Patron of Chatsworth you will play a significant role in helping to preserve and share our incredible heritage and collections, whilst supporting us in our ambition to continually adapt and improve in order to remain relevant to contemporary audiences.

YOUR SUPPORT

Your patronage will play a vital role in supporting the long-term aims of Chatsworth House Trust to ensure as many people as possible are able to enjoy all we have to offer for many years to come.

Every penny of the admissions we receive from our visitors goes back into the charity, alongside money from sponsors, trusts and foundations and donors to support the ever-expanding list of essential conservation, maintenance and restoration as well as supporting our extensive learning programme.

“We believe that everyone should be able to access the incredible art, design and heritage in the charity’s care, including those who are unable to travel to Chatsworth. By sharing our experience, our stories and our learning resources online, we can help more people to find inspiration at Chatsworth, and feel it is a place for them.”
